Philadelphia, May 20, 1899 TO THE HOLDERS OF THE SECURITIES OF THE KANSAS CITY, PITTSBURG & GULF RAILROAD COMPANY AND ITS TERMINAL

COMPANIES.

Your Committee deem it essential for the preservation of the value of your securities:—
First—That the securities covering the main line and the Kansas City and Port Arthur terminals be now merged and consolidated under one management.

Second—That such management be independent and in your interest alone.

Your property is of great value. It has an assured and a very large earning power. Its present financial condition is due to causes familiar to you, and which it would be difficult to avoid, even if the work were now to be done over again.

In the consolidation of the system we expect to receive the support of the foreign holders of all of the securities affected. The foreign holdings are, we are informed, a majority of the whole. Pending the preparation of the plan of reorganization, we advise holders to refrain from depositing their securities with any Committee in this country. The experience of some of our fellow-bond-holders has been that it is easier to deposit bonds than to get them back.

Your Committee ask the holders of the securities of the main line and terminal companies to furnish their addresses and the amounts of their respective holdings is the Chairman, care of Equitable Trust Company of Philadelphia. They will thereafter be directly and promptly informed when the plan is ready for publication, and will be made acquainted with its provisions. COMPANIES.
